No man no woman could ever come catch us No man no weapon could ever come catch us No man no woman could ever come catch us Don't worry yuh self, dey nuh go catch us (Ayy) So if you wanna vibe for the moment And get high for the moment It don't matter 'cause it's been a long year Tell me how you feeling 'cause I want it If we be this time, I bet we probably got a hundred years You know that I will break my back 'Cause my lower left's out of whack, I think I gotta get that checked I'm in a simp, my mind time's coming 'Cause I'm just like my daddy and we both got issues, I I guess I'm madly in love Hope that it's everything I'm all for it to be But you can make decisions on your own I hope you make the decision to be with me Let me be with ya Let me be with ya (No man no woman could ever come catch us) I will (No man no weapon could ever come catch us) See ya, this time I told her, let's just move down to Florida 'Cause I got the hold of us, I hope that just don't crumble down I guess my mind's cracked maybe But I won't stop chasing this game of life, oh now I see we leave it up in panic It's the first year I had it so we first just smacked it down I started to think back why you act like that I guess we both like our daddies, ooh I But we're madly in love It will be everything we meant for it to be And even though we could live life on our own I know we both want the challenge that life brings KnowI will be with ya Let me be with ya (No man no woman could ever come catch us) 'Cause I will See ya, in time No man no woman could ever come catch us No man no weapon could ever come catch us No man no woman could ever come catch us Don't worry yuh self, they nuh go catch us No man no woman could ever come catch us No man no weapon could ever come catch us No man no woman could ever come catch us Don't worry yuh self, they nuh go catch us Tell me if it's real, if you feel alright Say something already, say something already Oh, no

Baby, we put your hands into the air I can see this through the dark I could cipher what you bring

Don't worry, they won't get us

(No man no woman could ever come catch us) Put your hands into the air (No man no weapon could ever come catch us) I could see this through the dar ${\tt k}$

(No man no woman could ever come catch us) And I could cipher what you bring (Don't worry yuh self, they nuh go catch us) Don't worry, they won't get us
