

Commercial Break (Interlude)

Q

We just need to have some communication
And I told you that I care about our situation
And I don't know what you run away from
All these figures that we made when
I don't wanna make any more mistakes

Commercial break

'Cause we just need some ventilation
And we just need some conversation

Commercial break

'Cause we just need to find out where we are

Please don't try to play games
Let's make confirmations
And I told you that I care about our situation
I don't know why you would run away
The changing that was night and day
I don't wanna make anymore mistakes

Commercial break

'Cause we just need some ventilation
And we just need some conversation

Commercial break

'Cause we just need to find out where we are

Where we are

Where we are

Where we are
