

## Dontworrynomore

Q

Don't worry, don't worry no more  
Tears falling, what you crying for?  
I felt her  
Give you a  
World in your hands  
But  
You just want a feelin' for your soul  
So  
Don't worry, don't worry no more  
I'll carry, I'll carry on  
Don't worry, don't worry no more  
I'll carry, I'll carry on  
Don't worry, don't worry no more
