

Emotions

Q

Do you know what love is?
My heart searches for it, too
I was told not to rush this
But my mind wants what is new

I don't know
I don't know
All these emotions
I don't know
'Cause I don't know
All these emotions, yeah

Can you see what I see now?
Do you see what it could be now?
These dreams of you will last all night
But I can't say how I feel now

I don't know
I don't know
All these emotions running by
My heart searches for something
My whole life won't be nothing
Now I see this in you, girl
I hope you see it too, yeah
My heart searches for something
My whole life won't be nothing
Now I see this in you, girl
I hope you see it to, girl
Emotions going over
Emotions going over
But you should know
So tell me, girl

Do you know what love is?
My heart searches for it, too
Mama told me not to rush this
But my mind wants what is new
I don't know
