

Garage Rooftop

Q

Now we've
Been in the middle
Of a war we
Could never handle

But I got you
And you got me
Dancin' on the rooftop
With the lights off
With the moonlight
You take the tears out

So I've
Been in the middle
Of a crazy storm
And you've
Been on the rooftops
You never back down
You always make sure
You never showdown

I'ma cry, I'ma fall
I'ma feel anxiety
Inside of me
Until I found
You on the garage rooftop
You on the garage rooftop

And now we've
Been in our mental
And we never
Could ever handle

But I got you
And you got me
Dancin' on the rooftop
With the lights off
With the moonlight
You take the tears out

So I've
Been in the middle
Of a crazy storm
And you've
Been on the rooftops
You never back down
You always make sure
You never showdown

I've
Been in the middle
Of a crazy storm
And you've
Been on the rooftops
You never back down
You always make sure
You never showdown
