

# i'm a sad guy

Q

Bumpy roads gets to feelin'  
Like the normal surface, my grounds got craters  
It's the size to put a flag down  
I guess I'll build my home here  
What a perfect life  
But whenever she reads between the lines  
Then I guess I'm just a sad, sad guy for life

Yes, I'm a sad, sad guy for life  
I guess that I'm a sad, sad guy for life  
I'm goin' off the deep end, deep end, deep end  
I guess I'm just a sad, sad guy for life  
(For life, for life)

It's just nice that I see you  
'Cause things have been very loose ended  
I act like I don't care  
Just so I can survive for the year  
But you read my mind  
'Cause whenever you read between the lines  
I guess I'm just a sad, sad guy for life

I guess I'm just a sad, sad guy for life (For life)  
I guess I'm just a sad, sad guy for life  
I'm goin' off the deep end, deep end, deep end  
I'm just a sad, sad guy for life  
(For life, for life)

I guess I will be set for love  
If it comes and goes, oh well  
I rather feel than not at all  
Baby girl, just make that call  
I guess I will be set for life  
For this, I will roll up my sleeves  
Fight for life and fight for you  
Baby, I'm a sad guy
