

INCAPABLE HEART

Q

How do you fix burdens that come from the earth
I know I would bandage your scars
'Cause it wasn't good from the start

Oh
But you loved an incapable heart
Oh
'Cause you loved an incapable heart

Now I want you to know
That I'm not the same from before
I've seen multiple things
Experience a love that will grow

Oh
But you loved an incapable heart
Oh
Yes you loved an incapable heart

When I close my eyes I see a purified affection
I know change is in my heart
And time and time again I wait for a beautiful connection
I know change is in my heart

I want you to know
The bad harvest is gone but the new seed has been planted
And I know it might take some time baby
But time is what I have when it comes to love
So you keep shining lady
It ain't no rush
I'm here
I'ts new

The incapable heart
The incapable heart
Always in my heart
The incapable heart
Always in my heart
The incapable heart
Always in my heart
The incapable heart

Mm the incapable heart
