

## NOT ALONE

Q

You know what's been coming  
You haven't been alone since the day you've been running  
You know what's been coming  
You haven't been alone since the day you've been running  
You know what's been coming  
You haven't been alone since the day you've been running  
You know what's been coming  
You haven't been alone since the day you've been running

I see you have fear in the back of your mind tonight  
You think that no one cares, so aware of your thoughts tonight

You don't have to, you don't have to (You don't have to)  
Ah-ah, be alone in this, oh-ooh, now  
You don't have to, you don't have to (You don't have to)  
I don't have to be alone in this, oh-ooh, now

I see all the shame, it's a strain to get off the ride, ride  
And no one's not around to be your friend and have your hand to fight  
(Oh-ooh)

You don't have to, you don't have to (Have to)  
Be alone in all of this, ah-aah  
You don't have to, you don't have to (Have to)  
Ah-aah, be alone in all of this now

Go a little more, I know that you can't see  
I'm right here, homie, I know you can see  
Go a little more, I know that you can't see  
I'm right here, homie, I know you can see  
Go a little more, I know that you can't see  
I'm right here, homie, I know you can see

You're not alone, can't you see?  
There's plenty of space 'round here  
You're not alone in my eyes  
And I'm right here by your side  
Ha, you know  
I hope you get to realize one thing  
That you don't have to do this life alone  
Not by yourself, there's more to this

You're not alone, you're not alone  
You're not alone (You're not alone), you're not alone  
You're not alone, you're not alone  
You're not alone, you're not alone  
You haven't been alone since the beginning of time
