

## Pray Together

Q

When we pray together, we will stay together  
For some time  
Even when we think it's never getting back together  
We'll be fine, oh  
I heard that when we talk to each other  
Figure out each other  
We'll be fi-i-ine  
In this divine love  
We will be alright, oh  
When we pray together, we will stay together  
For some time  
Even when we think it's never getting back together  
We'll be fine, oh  
I heard that when we talk to each other  
Figure out each other  
We'll be fi-i-ine  
In this divine love  
We will be just fine, ooh-ooh
