

STEREO DRIVER

Q

Hey, is your story the same from the day
When you had nothing to hold or to gain?
I can show you more than you wanted
What will it be?

Time will tell if you really grown or you stayed
Facing the worries of all your mistakes
But I could be your stereo driver
Just come and see
Ooooh

I'll be your stereo driver
I'll be your stereo driver

I've been involved within all of your ways
Waiting for you to come stand in my face
I want to give you a promise
To let you breathe

Chasing a fight that won't solve anything
Rest be assured that you got everything
I will be your stereo driver
For your body, mind and soul
Ooooh

I'll be your stereo driver
I'll be your stereo driver

I'll be your stereo driver
I'll be your stereo driver

Wow
How's your mind, body and soul?
(Mind, body and soul)
Come, give it to me, baby child
Come, give it to me
Come, give it to me
Come, give it to me
Come, give it to me...

I'll be your stereo driver
I'll be your stereo driver
I'll be your stereo driver
I'll be your stereo driver

I'll be your stereo driver
I'll be your stereo driver
I'll be your stereo driver
I'll be your stereo driver
