

UNDERSTAND

Q

I understand (Ah-ah-ah, ah, ah-ah-ah)
When you say you are (Ooh, ah-ah, ah-ah, ah-ah-ah)
When you're struggling (Struggling, struggling, ah-ah-ah, ah, ah-ah-ah)
To look up at the sky, oh (Ooh-ooh-ooh)
Every single time when we walk out of fear (Out of fear)
It burns us up
But we're still right here (Right)
Oh, all night

There's just something better when
When you try to understand

You understand
When we walk through fire together
Just know, that we need protection, and
It's bigger than us, buildin' the trust, I'm lettin' you know, oh
Now more than ever
To put it in perspective, it's alright, take out time
The spirit movin' slowly, movin' through our soul
Oh, now I understand (Ooh, ooh-ooh)
Simple lovin', oh, oh-oh
That's how we get that far
That the wind starts to sing with us
Oh, and we take out time (Oh, I)
We'll make it there (There)
Oh, na-na-na

There is something better when
When you try to understand (To understand now, understand, understand
)
Ooh, ooh-oh
Ooh-ooh-ooh, oh-oh (Ooh-ooh-ooh, ooh-ooh-ooh) Ooh, ooh, ooh, oh, oh
There's just something better when
When you try to understand (So nice)

Baby, this I know (And I know)
That I will try this for us now
Ooh-ooh, ooh
I understand now, now (Ayy)
I understand
I'll try this for us now
I'll try this for us now
Try to understand now (Ooh-ooh-woo, ooh-ooh, ooh-ooh, ooh-ooh)
I'll try this for us now
Ooh, it's love now, oh-oh-oh
And even when I don't understand
I'll still try
I'm here for you
