Mami mami shake it ey  
Mami mami shake it ey  
I can't believe your ass in my jeans  
On my lap flyin high without wings

Shake it shake it shake it shake it  
Bangin bangin bangin bangin  
Mami yeah you know I like it  
Girl you should be in the magazine  
Wearing crown bling bling ghetto queen

Rappers do freestyle  
I'm flexin with ma fuckin style

1 2 3 4 5  
Counting money underground  
Can you see me now?  
Money stacks overtime  
You post on the gram  
Make it cheers with wine  
I don't need talk too much  
Mami come and let it touch  
Your body so wavy  
The way you shake sexy  
And when they call you Britney  
Should I call you my lady  
Just you and me nobody else  
Do the things we do  
There's something that I need  
Find the hidden clue

I lost my sight when I'm drown in your body  
Go ahead do the damn thing  
Not corny just horny  
I lost my sight when I'm drown in your body  
Go ahead do the damn thing  
Not corny just horny

Ride  
You're the type of me  
Okay okay  
Repeat till round 3  
Ride ride  
You are right for me  
Mami make my D stand like a pool stick  
Dat stick bump that

Turn it turn it turn it up (hold up)  
Hangin with my homies call up (waddup)  
Everybody meet me at the spot (pick up)  
Going out for a ride, gonna kill the night (ey)  
Still got money in the bank (ching ching)  
Still got honeys and them thang (damn girl)  
Got it all to spend  
Chillin with the top rank  
Hit it with a club bang
