

Braggadocious

Quadeca

On top of the clouds and the buildings
I'm walking around with this feeling
That I got the crown and I'm feeling so proud
And I'm loud when out and I'm chilling I'm
Braggadocious
Supercalifragilisticexpialidocious
Now they know this
Now we attract to focus
If Shakespeare was here then he'd have to quote this
Yeah I'm braggadocious
I've been fucking stoppin' hoping
I've been living
I've been winning, I've been acting so sick
Yeah
I've been living like a king now
But I ain't starting a thing now

Yeah
On top of the clouds and the buildings
I'm walking around with this feeling
That I got the crown and I'm feeling so proud
And I'm loud when out and I'm chilling I'm
Braggadocious
Supercalifragilisticexpialidocious
Now they know this
Now we attract to focus
If Shakespeare's alive then he'd have to quote this
I got it you know I'm making it so obnoxious
I'm taking all of my profits, amazing all of my comments
I'm playing all of these games and I'm making up all of the cards
These haters they seem obnoxious
Climbing a couple of notches
Opportunity is not going to stop right as we speak
This community's rocking they falling right back asleep
You know I keep on rocking not stopping trying to leave
I'm just robbing the spotlight and blocking it out the week
I'm not talking to you
But you are talking to me
I'm a professional asshole
You are way out my league
What you wanted to see
Is who you wanted to be
So I cannot help you, obviously
No limits to how I'm living
So don't you get in my mention
I'm playing right by my vision
I don't expect you to get it
I'm very happy
I'm sitting
I'm never going to end it
They say I'm tremendous
I'm only spreading one message that's:

Yeah I'm braggadocious
I've been fucking stoppin' hoping
I've been living
I've been winning, I've been acting so sick

Yeah
I've been living like a king now
But I ain't starting a thing now
On top of the clouds and the buildings
I'm walking around with this feeling
That I got the crown and I'm feeling so proud
And I'm loud when out and I'm chilling I'm

Look at this ridiculous news
That I am not limitless
And it's so effortless
Wanting to live how I choose
When I'm stepping
These people started regrettin'
Like everything they have said in the comments
And my expression
No need for further obsession
These people murder my message
They seem to work under pressure
So I need to serve them no questions
No cabinet jokes
It's time for another one
First is the worst so it's time that I'm number one
Sometimes in life you got someone you'd take a bullet for
Never even know they were the one behind the fucking gun
No need to judge me because the path I'm on has just begun
I may have made it but you don't know where I'm coming from
I guess it's funny that people trying to judge me
And they say that they love me but I'm not sure I am trusting them
But now I am on the top
Skillful and willful and now I don't want to stop
I got my drive and I'm number one
Know that I'm feeling my valor don't want to drop
Yeah
I am so damn braggadocious now
Let it
Let it soak in now
Felling my emotions now

Yeah I'm braggadocious
I've been fucking stoppin' hoping
I've been living
I've been winning, I've been acting so sick
