

Can't You See?

Quadeca

Can it be?
It's you and me
Said, can't you see?
It's you, oh-oh, oh

Don't fall asleep
We're not at all complete
Lost in the fog, walkin' across
Ropes can't hold on to me

Can it be? (Yeah)
It's you and me (Yeah, oh)
I said, can't you see?
I said, can't you see? (Oh)

Hard to stay, hard to stay gone
Bring me a branch to hold on
Sometimes, the ground ain't so far away (Aah)
I fell apart in your arms
Still felt like a part of your arms
When did these words get so hard to say?

Can't you see?
It's you and me
Said, can it be?
It's you and me

I said, can't you see? (Hard to stay, hard to stay gone)
It's you and me
