

And I drive through the Rockys... uh, the magnificent Rockys, j
ust a few weeks ago
And was absolutely... stunned by another view of ten and twelve-
thousand feet
Yeah, but, uh, I mean, beautiful mountains had nothing to do re
ally with their altitude
Some of the most beautiful mountains in the world might only be
three or four-thousand feet
I mean, all that altitude... does is make it harder to climb it
, because the lack of oxygen
