

DUSTCUTTER

Quadeca

Close your eyes
Please don't leave me out in the cold, leave me out to dry
Please don't leave me out in the middle of the night
Shake, shake, shakin' to my core
I don't wanna see you anytime in the future, uh
Do shit just like we used to, uh
Walk through a new light, watch my life
All this minutiae, uh
Who had a clue?
Wasn't me
Wasn't you
Wasn't he
Wasn't she
Wasn't them
Wasn't true

Everybody knew
Everybody but you
Everybody knew
Everybody but you
Everybody knew
Everybody but you
Everybody knew
Everybody but you

Who?
Who hid the veins and changed their hue?
Who compromised the perfect view?
You oxidized the perfect blue
Don't let it out, don't let it out
Don't say the words, don't write them down
It gave you life and it stains your bed casings
Crumpled tissues on stacks of red pages

Close your eyes
Please don't leave me out in the cold, leave me out to dry
Please don't leave me out in the middle of the night
Shake, shake, shakin' to my core
I don't wanna see you anytime in the future, uh
Do shit just like we used to, uh
Walk through a new light, watch my life
All this minutiae, uh
Who had a clue?
Wasn't me
Wasn't you
Wasn't he
Wasn't she
Wasn't them
Wasn't true

Everybody knew
Everybody but you
Everybody knew
Everybody but you
Everybody knew
Everybody but you
Everybody knew

Everybody but you
