Walked straight into the venue, had to go through the back
Guess who
Went in and out of your city, didn't even unpack

Getting mobbed at the In N' Out and the dry clean
Dropping tapes like I couldn't figure out a crime scene
My career fucking weird, can't even define me
All these years still here, they said I was naive
Meetings where they push my buttons but never rewind me
Cause they couldn't tell a masterpiece from a type beat
Buncha glorified interns in assigned seats

Room packed out with the fans
Never backed out of my plans
Like I maxed out my advance
