Imagination

Quadeca

When I was eight yeah
I wanted a wraith yeah
But I had to hide in my imagination
Back in the day I wanted a name yeah
But I was too shy, I knew I had to take it
I had a dream yeah that I got a mil streams yeah
And now that's shits mine, I guess I really changed it
No Post Malone but I did it on my own
And now it's so high, they like congratulations

Back then I imagined it, now it's happening like what's happening?
All odds were against me like Croatia and I'm Rakitic
Started off with a camera cause nobody else saw the picture huh
Times'd my earning by 13 gave my bank account a bar mitzvah uh
Now they know that I'm
Back up and I'm on call
They been throwing shade but I treat it like some dodgeball
They say I'm a trip, but u tripping I do not fall
Always on the outside, always been a odd-ball
Now it looks like I'm the one who making all the shot calls
Now it's like they looking up me but I am not tall
'Member I would pull to the mall I could not ball
Walking up to class I knew I was in the wrong halls

When I was 8 yeah
I wanted a wraith yeah
But I had to hide in my imagination
Back in the day I wanted a name yeah
But I was too shy, I knew I had to take it
I had a dream yeah that I got a mil streams yeah
And now that's shits mine, I guess I really changed it
No Post Malone but I did it on my own
And now it's so high, they like congratulations

Big shit
I want big shit yeah uh
Big rich, that's the business
Everybody been throwing them shots
If you dissing my spot then you bout to get dismissed
I'm tryna kill this shit, I want you to witness yeah
I want the people to listen, I want them to know that I'm capable yeah
Some of them think that I'm up at the top and I'm still unavailable yeahh
Feel like I'm still just beginning, I can't get ahead of my wishes yuh
I still imagine
Still wish it happened, bigger and better like yeah

When I was eight
I wanted a wraith yeah
I had to hide in my imagination
Back in the day I wanted a name yeah
But I was too shy, I knew I had to take it
I had a dream yeah that I got a mil streams yeah
And now that's shits mine, I guess I really changed it
No Post Malone but I did it on my own
And now it's so high, they like congratulations
