

Last Time

Quadeca

Like the last time
I might treat you like the last time
Now you know I have a bad time
Turn you to a pastime
That's just how I pass time (yeah)
I don't really even have time (oh)
Treat you like a pastime
Like that was the last time (yeah)
Yeah I wish it was the last time (yeah)

Yeah I wish it was the last time I really do
I've been drivin' in the city made me think of you
Now I'm really trying hard I gotta let you go
Ice, ice on me, Imma let it snow

Yeah we cookin' in the studio
I don't need the toolie, no
Thinkin' 'bout the places that we used to go
Say it cause I really...

Yeah I said it was the last time
Told her it's my last time
Wish it was the last time
Turn it to a pastime
Now I have a bad time
Thinkin' 'bout the last time
Thinkin' 'bout the last time

Now it's 2 AM
Sorry that I said I had to lose more friends (yeah)
Had to lose more
I just wish that I could do more
Wish that I could do more for you
Move more for you
How many times I gotta lose more for you
Fuckin' on that bitch she wanna move to Peru
Wish I never even fuckin' knew 'bout you
(Yah yah yah)

To be honest girl I think I had a bad time
I mean thinkin' this might really be my last time
Won't be easy yeah it's gonna be a sad time
Had your heart, but you never really had mine (had mine)

Told her it's my last time
Wish it was the last time
Wish it was the last time
Turn you to a pastime
Now I have a bad time
Wish it was the last time
I don't ever really have time
Wish it was the last time
Wish it was the last time
Now I have a bad time
Wish it was the last time (yeah)
(Oh oh)
