

Song To Go Home To

Quadeca

Who do you turn to
On your walk home
Chances are
You slept through your stop

Who do you turn to
On your walk home
Chances are
One of these times will be the last time
I drop you off and drive home
Something about that drive home

Who do you turn to
On your walk from the car to the door
Chances are
One of these will be the last time
I drop you off and drive home
(Last time, time I drop you off)
(Last time, time I drop you off)
