If I gave you all my love
(I say, "Would that make you happy, baby?")
Would that make you happy?
(It don't feel like we doin' too much)
If I gave you all my love
(It don't feel like we doin' too much)
Would that make you happy?
(It don't feel like we be doin' too much)
If I gave you all my love
(It don't feel like we doin' too much)
Every time I'm with you
(It don't feel like we doin' too much)
Every time I'm with you
(It don't feel like we doin' too much)
Every time I'm with you

I can give everything to ya, baby, will you bring it back to me?
But I can't feel this way if you don't feel the same, oh
When I glide, I slide, might slip around (Oh)
If it come down to it, I'ma give it all, make sure my mama straight, now we can ball
Now I'm tryin' to be low-key and stay away from the bullshit
Now I, I gotta stay focused, I gotta stay focused
It's on my mind all the time, we're gonna ride when that time come
I gotta stay focused, I gotta stay focused
I gotta stay focused, I gotta stay focused, it's on my mind all the time
I gotta stay focused, I gotta stay focused

If I gave you all my love
(I say, "Would that make you happy, baby?")
Would that make you happy?
(It don't feel like I'm doin' too much)
If I gave you all my love
(It don't feel like we doin' too much)
Every time I'm with you
(It don't feel like we doin' too much)

Every time I'm with you
(It don't feel like we doin' too much, woah)
If I gave you all my love
