

TEXAS BLUE

Quadeca

Waking up next to you
Am I complex to you?
Scratches on your back
The sun peaking through
Sagging baggy jeans
X-rated preview
Feel the wind coming in
Are you gonna let it take you too?

I'll be honest (I'll be)
You like movies more than I do (I'll be)
But who asked you? (who asked?)
'Cause you ain't, you ain't (you)

Syrups and syndromes
All the beasts in the jungles
Under covers, undercover
Seeing you in flashes
Old photos and boxes of matches
Red button icon, eye lashes
Memories I don't wanna see

I'll be honest (I'll be)
It hurts so much more than I knew (I'll be)
But who asked you? (who asked)
Who asked you?

(I'll be honest)
Plus or minus, you give and take away
Don't remind me (I'll be, I'll be)
Erase them hoes in a day
I'll be honest
I bite my tongue ha-ha-ha (I'll be, I'll be here)
I'll be honest
You said I'm enough but you wanted
A little more something, I got it
I'll be, I'll be
I'll be here

Uh-oooh
If I could tell you the truth
You hold 'til it splits into two
I'm going missing the second I give in
So I gotta give it to you

Watching you dancing up there
Changing direction you painting the sky with your hair
Watching you dancing, dancing, dancing up there

Waking up next to you
Colder than Texas blue
Purple tea in the cup
Green wasn't indica
New pair of dreams
We burned it all up
Ash on the sheets
You making me suffer, huh

What will it take to slow you down?
That silent treatment gets a little loud
It's surround sound
Surround sound

I'll be honest (I'll be)
It hurts so much more than I knew (I'll be)
But who asked you? (who asked)
Who asked you?
(I'll be honest)
Plus or minus, you give and take away
Don't remind me (I'll be, I'll be)
Erase them hoes in a day
I'll be honest
I bite my tongue ha-ha-ha (I'll be, I'll be here)

I'll be honest
You said I'm enough but you wanted
A little more something
I got it
I'll be, I'll be, I'll be here

Waking up next to you
Am I complex to you?
Scratch on your back
Am I complex to you? (I got it)
Am I? (I got it)
Am I? (I got it)

Uh-ooh
Watching you dancing up there
Watching you dancing up there, yea uh
Watching you dancing up there
Watching you dancing up there, uh huh
Watching you dancing up there
Watching you dancing up there
Hey yeah, hey yeah (watching you, watching you)

I'll be, I'll be
I'll be honest
I'll be
I'll be here

I'll be, I'll be
I'll be honest
I'll be
I'll be here
