Head banger, head banger, twisted fingers, twisted fingers
P's working, P's working, phone twerking, phone twerking
Bitches fucking, bitches fucking, the trap be bunking, the trap be bunking
We came from nothing, we came from nothing
Yeah, nigga, yeah, nigga, yeah

Just because I fell back, that don't mean I fell off

Smoking weed at the school, gettin' in trouble with the law
Hard headed ass nigga, mama said your ass soft
Hard headed ass nigga damn near knocking heads off
Daddy found out I was GD, damn near knocked my chest off
Never been a scared nigga, never been no dumb nigga

Head banger, head banger, twisted fingers, twisted fingers
P's working, P's working, phone twerking, phone twerking
Bitches fucking, bitches fucking, the trap be bunking, the trap be bunking
We came from nothing, we came from nothing

Stupid boy, don't ask what's popping if you tryna make a deal

Weed vacuum sealed, ayy, put 'em on the wheels, uh
Get it out the mud even though I got a deal

Ten toes on my feet, ain't no stranger to the field
