

Forever 16

Quando Rondo

Whole hundred shots like Young Dolph
And my P Pabb
And I'm forever reppin' 16, that's for you, brother (KallinBad got some keys
)
(Juppy on the beat)

I'm goin' through it, call the drank man, call the drank man
Adderall, it got me faded, I been thinkin'
After all of these mistakes, goin' through some things, yeah
AKAs and .38s, talkin' yellow tape, man

My nigga picture on the wall and it don't feel right
Suburban truck, them shots came through that car, ain't have my steel tight
So I can't trust my dog, but love 'em all and screamin' Crip life
They done took my heart, that's why our law we gotta kill now

I swear to God that they don't know, they don't know that I been going throu
gh some things all day
Sittin' by the window, hope the rain go away
I hope this pain go away
I watched my mans go away
It's gon' be hard to forget that
I swear to God that they don't know, they don't know that I been going throu
gh some things all day
Sittin' by the window, hope the rain go away
I hope this pain go away
I watched my mans go away
They know that we gon' get some get-back

My nigga Cxb be on my ass 'cause I been barely recordin'
I'm steady thinkin' 'bout the past 'cause I've been goin' through torture (Y
eah)
Wish I could bring my nigga back, I spin the wheel of some fortune (Yeah)
Maybe that's Jesus 'cause the cash that I done spent on abortions (Yeah, yea
h)
I'ma throw my C's up 'til I'm dead or 'til I drown in the water (Yeah, yeah)
Caught in my thoughts inside my head, I've seen my man in a coffin
Redeye receipts I never read, we back to back in them Chargers
I don't wanna fuck up your face, that's what I told to lil' papa, I wanna se
e you go farther

My nigga picture on the wall and it don't feel right
Suburban trucks, them shots came through that car, ain't have my steel tight
So I can't trust my dog, but love 'em all and screamin' Crip life
They done took my heart, that's why our law we gotta kill now

I swear to God that they don't know, they don't know that I been going throu
gh some things all day
Sittin' by the window, hope the rain go away
I hope this pain go away
I watched my mans go away
It's gon' be hard to forget that
I swear to God that they don't know, they don't know that I been going throu
gh some things all day
Sittin' by the window, hope the rain go away
I hope this pain go away
I watched my mans go away

They know that we gon' get some get-back

I say that now, lay me down to sleep, I pray the Lord my soul to keep
Tears keep rollin' down my face while getting weaker in the knees
I still ain't find a time and space to go and see [?]
Iced-out Patek shinin' bright as day, Lul Timmy bought it 'cause he free
Right by the nine, he [?] I think 'bout Wack then I just leave
Look to the sky, my iron be on my waist, 'bout 'Viaya we gon make 'em bleed
I know my auntie Quilla mad at me 'cause I won't get from out them streets
I know them killers gon' be glad to see the day you die, a fifty piece

My nigga picture on the wall and it don't feel right
Suburban truck, them shots came through that car, ain't have my steel tight
So I can't trust my dog, but love 'em all and screamin' Crip life
They done took my heart, that's why our law we gotta kill now

I swear to God that they don't know, they don't know that I been going throu
gh some things all day
Sittin' by the window, hope the rain go away
I hope this pain go away
I watched my mans go away
It's gon' be hard to forget that
I swear to God that they don't know, they don't know that I been going throu
gh some things all day
Sittin' by the window, hope the rain go away
I hope this pain go away
I watched my mans go away
They know that we gon' get some get-back

Forever reppin' 16, that's the block
Forever reppin' 16, that's for Pabb
They know that we gon' get some get-back
