Quando Rondo

(Juju made this one)

(Xclusive made this)

Uh, uh, uh, uh, uh

Uh, uh, uh (Uh, uh, uh, uh)

Uh, uh, uh, uh, uh (Where the light at? I gotta light this pole up real quick, I'm stressin')

Uh, uh, uh

Lil' shawty, what do you know 'bout trappin' all, all night?

Hop in that 'Rari, I'm gone (Skrrt), you wanna come then jump inside

Jumped off the porch with my pole, and ever since, I been outside

To keep it real, my heart broke, I don't think that I'm gon' be alright this time

I really come from the bottom, the gutter, all of my life, I been through it I really gave my life up to the Muslims, no longer, I been on bullshit (Yeah, ayy)

Shawty, she fine, she my new baby mother, I wanna have me a new kid (Yeah, ayy)

I'm on the block like a four-

corner hustler, I'm tryna run up some new shoes (Yeah, ayy)

Shawty said she be with me, she told me a lot

Got this bitch on her knees in the back of the ride

She could look in my face, see these tears on my eyes

Why the fuck am I cryin'? It's hard to survive

I'm off a corner where niggas be dyin'

I can't walk out that door 'less I'm clutchin' this iron

When I jumped off the porch, this the life that I signed

Had to cut off my ho just to get on my grind

Police kicked in the door, now I'm facin' this time

I'm too solid to fold, I can't tell on my guy

This what come with this shit, now I'm payin' the price

No, she not my bitch, but I bought her some diamonds

Look at the flick of the wrist, yeah, it's shinin'

I found out my nigga a snitch, an informant

We been rockin' designer 'fits mixed with Jordan

Shouldn't have fucked on that girl, gotta get an abortion

I put my dick anywhere, then it's torture

I gotta live by that stick, law and order

Livin' deep in that water, drownin' in that bathtub

R.I.P. to John Gotti, my favorite trapper

I'ma rub on her body just so to relax her

Lil' shawty, what do you know?

While I lock by the door, promise you'll be my backup

She not like none of these hoes

Lil' shawty, what do you know 'bout trappin' all, all night?

Hop in that 'Rari, I'm gone (Skrrt), you wanna come then jump inside

Speedin', drivin' fast, might catch a speedin' ticket  
Immediate, baby girl, need it immediately  
See in me, baby girl, what do you see in me?  
Kickstand all day long, bae, I been leanin'  
Free Reek, man, he been trappin' out on Beetle Street  
Free bands runnin' through my veins, right where a needle be  
One thing for sure, I'ma die 'bout this money  
Hit a lick on the bro, then you know that we comin'  
My lil' dog double O, through the check, he be thumbin'  
I was locked in the hole, it was me and Lil Yunginz  
Shawty, take off your clothes, if you don't, you not comin'  
Butterfly doors on a brand-new 'Rari  
Livin' life of the Pope like the life of the party  
I'ma live my life like no tomorrow  
Woadie picked up his pole, then he filled it with hollows  
Salaam aleikum, I feel like I'm Ralo  
Heart is so vacant, I'm changin' the doctor  
From the chances I've taken, I'm runnin' up guala
