Sometimes it's good to be unholy
Sometimes I wish you never told me
I never knew mistakes felt great

Sat on the floor talking 'bout seeing
If only you knew how much I'd seen
You keep giving up but it's right in front of me

My teeth ache
My bones break, cause you're so
I yearn for what we've made

Oh
My teeth ache
My bones break, cause you're so
Cause you're so, cause you're so

Oh, oh
Oh, oh
Oh, oh
Oh, oh
Oh
