

## Comatose

quannnic

People watch as you're comatose  
Another round of no going home  
It doesn't count if you never cared  
There's not much time

I'll carry you around  
I'm betting when I'm in doubt  
I'll carry you around  
I'm betting until I drown

Till I drown  
Till I drown  
Till I drown  
Till I drown
