Hello, I've waited here for you  
Everlong  
Tonight, I throw myself into  
And out of the red  
Out of her head, she sang

And I wonder  
And I sing along with you  
If everything could ever feel this way forever  
If everything could be this good again

Breath out  
So I can breath you in  
I hold you in  
And I know  
I know you've always been  
And out of the red  
Out of her head she sang

And I wonder  
And I sing along with you  
If everything could ever feel this way forever  
If everything could be this good again

Hello, I've waited here for you  
Everlong  
Tonight, I throw myself into...
