

Wrenches

quannnic

It seems I'm
So stupid
I've kept in
I love you
I've kept in
I love you
I'm wretched
I'm wretched

This would work
For anyone else
For anyone else
For anyone

I came back
They loved me
Confused me
They burn me
Just like that
With witchcraft
I'm on fire again

This would work
For anyone else
For anyone else
For anyone
This would work
For anyone else
For anyone else
For anyone

I'm wretched
I'm wretched
I'm wretched
I'm wretched
I'm wretched
I'm wretched
I'm wretched
