

## Two-Faced

Quasi

Two-Faced  
One for up front,  
One for behind the back.  
I never had a clue.  
What can a blind man do?  
I guess I was bound to lose.  
I don't know myself and I don't know no one else.  
I don't know false from true.  
What can a blind man do?
