Low, low, low prices over here
Diamonds biting, fighting, look like bison over here
Don't look 'cause there ain't nothin' but some striking over here
Straight cash we droppin', ain't no swipin' over here
Twenty thirty forty whole bags in the Lear
If that bitch come up she get that dash and disappear
Finesse your best friend, she need no mask to get it clear
Niggas snitching in black and white, my lawyer make it smear

We got the money (all the money)
She got the juice (juice, juice)
