No Strings

Queen Naija

I know you wanna ride
See it behind your pride
This ain't hide and go seek
Why you still tryna hide
You know I wanna ride
But you gotta teach me how
At times I get a little shy
Cause I wanna make you proud

We don't need no strings attached
So put your feelings to the side and
Let's get down
(Baby let's make shit shake)

Fulfilling yo needs, I'm the definition
Got yo legs behind yo head, favorite position
We don't need no frustrations, so all expectations
Drop 'em, when we hit the bed, only feelings is vibrations

We don't need titles boy we can have fun
Come give it to me, promise I won't run
I'm a good girl but for you I'll act up
No feelings involved but you might fall in love

OH, its what you're doing to me, got my body
Feeling right, no come and drown in my sea
Kiss yo body, lick yo body (yeah, yeah)
Climb on top you can ride it

Ooh, my body grinding on (your body)
While you riding on (my body)
And we ain't gotta tell (nobody)
Nobody, gone do ya body like me

I want you to bend me over and take control
Of it, put your back into it, when you stroking it
Damn you got a mouth, but can you use that
Mouth for dirty things, and without no strings

We don't need no strings attached
So put your feelings to the side and
Let's get down
(Baby let's make shit shake)

Fulfilling yo needs, I'm the definition
Got yo legs behind yo head, favorite position
We don't need no frustrations, so all expectations

We don't need titles boy we can have fun

Climb on top you can ride it

Ooh, my body grinding on (your body)
While you riding on (my body)
And we ain't gotta tell (nobody)
Nobody, gone do ya body like me

I wanna ride so come inside I'm
Bust it baby with no plies
I'm gonna make you feel so proud
You just might wanna make me wife

Imma pull up just drop yo addy
Imma make you call me daddy
Turn a good girl into a savage
Say the word and you can have it

Ooh, my body grinding on (your body)
While you riding on (my body)
And we ain't gotta tell (nobody)
Nobody, gone do ya body like me
