

# Pretend

Queen Naija

Oh, oh, oh, ooh  
Yeah, ayy, ayy

It gets so hard to tell  
Who's really here for me  
Who's really down for me  
Or who just down for the ride  
So many issues of switchin' sides  
I just cannot identify  
My, heart has a funny way of lettin' people in  
I swear it's never my intentions  
Always missin' all the signs that God be givin'  
Never find out the truth until the endin'

That they pretend (Oh), that they pretend (Oh, oh)  
Please don't pretend with me, yeah (Yeah, yeah)  
Just keep it real with me, just keep it real (Oh, ooh-ooh)  
Don't play pretend (Ooh, ooh, ooh, oh)  
Don't play pretend  
Please don't pretend with me, yeah (Oh, oh, oh)  
Just keep it real, just keep it real (Oh, oh)

They say that I'm weak, they say that I'm too naive  
Always tryna see, see the good in everybody (See the good in everybody)  
You would probably think disappointments would've stopped me  
Love just keep on bleedin', I know that God still got me  
The reality hits and I'm not to expect people to give what I give  
Or think how I think, all I know my love it could be too much for some of you  
To love the way I do

Don't play pretend (No, no)  
Please don't pretend (No, no, oh)  
Please don't pretend with me, yeah  
Just keep it real with me, just keep it real (Just keep it real with me, yeah)  
Don't play pretend (Don't, no)  
Don't play pretend (Don't, no)  
Please don't pretend with me, yeah  
Just keep it real, just keep it real

I can't help it that my heart's so big  
Constantly let people in  
I love without a motive (Love without a motive)  
I just givin' and I give (Oh, ooh woah, oh, oh)  
But I need somethin' tangible  
Somethin' I can hold onto  
A relationship I can feel  
Somethin' real (Yeah, yeah), somethin' real (Yeah), somethin' real

Don't play pretend  
Don't play pretend (No, no)  
Please don't pretend (No, no, oh)  
Please don't pretend with me, yeah  
Just keep it real with me, just keep it real  
Don't play pretend (Don't)  
Please don't pretend (Don't play)

Please don't pretend with me, yeah (Please don't pretend)  
Just keep it real, just keep it real (Woo, ooh, don't play pretend, yeah)

Don't play pretend (No, no)  
Please don't pretend (No, no, oh)  
Please don't pretend with me, yeah  
Just keep it real with me, just keep it real
