Taboo

Queen Naija

Bittersweet thoughts in my head
Fantasizin' 'bout the words that you said to me
Drownin' in your love, come take me away (Away)
Body's burnin' like I need it so desperately (Yeah, yeah, yeah)
And I want you to want me like I want you (I wanted you, I want ed you)
And I want you to want it as bad as I do (I do, I do, I do)

(Taboo, taboo)
Ever tell you that I need it, promise you'll keep a secret, ooh , yeah
(Taboo, taboo)
If I told you that I want it, would you come and put it on me? Ooh, yeah
(Taboo, taboo) Tell you, baby, they can call me crazy
Won't you come to save me? You give me the sweetest
(Taboo) Taboo, taboo, taboo

Yeah, your shit hit different
I probably should keep my distance
I usually keep my hands to myself
But since they felt them thighs (Thighs)
I need a one-way ticket back
So it's time I feel we attach
I switched up the world, I had you waiting all week (Week)
Gotta keep this private, can't be careless when we speak
You've been the only exception, these are my only confessions

Ooh, woah, oh, oh
(Taboo, taboo) Ever tell you that I need it, promise you'll kee p a secret, ooh, yeah
(Taboo, taboo) If I told you that I want it, would you come and put it on me? (I'll put it on you, baby) Ooh, yeah
(Taboo) Tell you, baby, they can call me crazy
Won't you come to save me? You give me the sweetest
(Taboo, taboo) Taboo, taboo, taboo
(Oh, ooh, woah-oh, oh, ayy)

Even when you're not here, you get all of my time (My time, My time)
I been tryin', but I can't get you off of my mind (Can't get yo u off of my mind)
Even when you're not here, you get all of my time (My time, My time, my time)
And it's so taboo, but it ain't game night
