1. She came without a farthing

A Dmi
A babe without a name

So much ado 'bout nothing

Gmi A Dmi
Is what she's try to say

So much ado my lover
So many games we played
Through ev'ry fleeted summer
Through ev'ry precious day

C F Gmi F
R: All dead all dead

B F
All the dreams we had

Dmi B C F
And I wonder why I still live on

C F Gmi F
All dead all dead

B F
And alone I'm spared

A7 Dmi
My sweeter half instead

B F B
All dead and gone all dead

C F Gmi F
All dead all dead

At the rainbow's end

And still I hear her own sweet song

Take me back again

You know my little friend's

B F
All dead and gone

2. Her ways are always with me
I wonder all the while
But please you must forgive me
I am old but still a child

But I should not grieve
In time it comes to ev'ryone
All dead all dead
But in hope I breathe

A7 Dmi
Of course I don't believe

You're dead and gone
