

Back Chat

Queen

Yeah
Get back get back

Ami

1. Back chat back chat

C

You burn all my energy

Dmi

Back chat back chat

F

Criticizing all you see

Ami

Back chat back chat

C

Analysing what I say

Dmi

Back chat back chat

F

And you always get your way

Oh yeah! See what you've done to me

2. Back chat back chat

It's driving me insane

Survival to the end

Knock you down you come again

Talk back talk back

You've got me on the wrack

Twisting every word I say

Wind me up and get your way

Fat chance I have of making a romance

If I'm ever goin' to win

Have to get the last word in

Take it from there

Twisting every word I say Huh!

Wind me up and let me play

3. = 1.

Come on now

Ami

Wake up stand up

C

And drag yourself on out

Dmi

Get down get ready

F **G**

Scream and shout

Ami

Back off me be cool

C

And learn to change your ways

Dmi

'Cause you're talking in your sleep

F

G

And you're walking in a daze

Don't push your luck
I'm ready to attack
'Cause when I'm trying to talk to you
All you do is just talk back
You stand so tall you don't frighten me at all
Don't talk back don't talk back
Don't talk back just leave me alone

4. = 1.

Yes you do
Yes you do baby
Come on back chat back chat
Back chat back chat
Back chat back chat
Go for it go for it go for it baby
Back chat back chat
You're giving me the runaround
Critisizing (oh yeah), analysing (oh yeah)
Yeah merci beaucoup
Get on down..
