Coming Soon

0000000000 Oh Oh Oh I get some headaches when I hit the heights Like in the morning after crazy nights Like some mother in law in her nylon tights They're always They're always They're always They're always Coming soon Coming soon on the outside of the tracks You take 'em The same old babies with the same old toys The neighbours screaming when the noise annoys Somebody naggin' you when you're out with the boys They're always They're always They're always They're always Coming soon Coming soon on the outside of the track They're always They're always They're always They're always Coming soon Coming soon on the outside of the track Coming soon Coming soon on the outside of the track Yeah yeah yeah

Queen
