

# Long Away

Queen

**A** **E**  
1. You might believe in heaven  
**D** **A E**  
I would not care to say  
**A** **E**  
For every star in heaven  
**D** **A**  
There's a sad soul here today  
**D** **Bm**  
Wake up in the morning with a good face  
**E** **A**  
Stare at the moon all day  
**D** **Bm**  
Lonely as a whisper on a star chase  
**E** **E7sus4**  
Does anyone care anyway?  
**A** **E**  
For all the prayers in heaven  
**D** **F A E D E7sus4 A**  
So much of life's this way

**A**  
R: Did we leave our way behind us?  
Such a long long way behind us  
**D**  
Who knows when now who knows where  
**A**  
Where the light of day will find us?  
**D7** **A**  
Look for the day

2. Take heart my friend we love you  
Though it seems like you're alone  
A million light's above you  
Smile down upon your home  
Hurry put your troubles in a suitcase  
Come let the new child play  
Lonely as a whisper on a star chase  
I'm leaving here, I'm long away  
For all the stars in heaven  
**D** **F** **A**  
I would not live I could not live this way

R: Did we leave our way behind us?  
Such a long long way behind us  
Leave it for some hopeless lane  
Such a long long way such a long long way  
**A7 A D**  
Such a long long way I'm looking for  
**F** **A**  
Still looking for that day
