

# My Life Has Been Saved

Queen

This is where we are today, people going separate ways  
This is the way things are now, in disarray  
I read it in the papers, there's death on every page  
Oh Lord I thank the Lord above, my life has been saved  
Yeah yeah yeah

Here we go  
Tellin' lies

Here we go (here we go)  
We're right back where we started from,  
people going separate ways  
This is the way things are now, in disarray - hey  
I read it in the papers, there's death on every page oh  
Oh Lord I thank You from above, my life has been saved

My life, my life has been saved  
My life, my life, my life has been saved
