## **My Life Has Been Saved**

This is where we are today, people going separate ways This is the way things are now, in disarray I read it in the papers, there's death on every page Oh Lord I thank the Lord above, my life has been saved Yeah yeah

Here we go Tellin' lies

Here we go (here we go) We're right back were we started from, people going separate ways This is the way things are now, in disarray - hey I read it in the papers, there's death on every page oh Oh Lord I thank You from above, my life has been saved

My life, my life has been saved My life, my life, my life has been saved
