

Nevermore

Queen

F **Dmi**
There's no living in my life anymore
Ami
The seas have gone dry
B **F**
And the rain's stopped falling
F **Dmi**
Please don't you cry any more
Ami
Can't you see
B **F**
Listen to the breeze
B **F**
Whisper to me please
D7 **C C7 F**
Don't send me to the path of nevermore

Even the valley's below
Where the rays of the sun
Were so warm and tender
Now haven't anything to grow
Can't you see?
Why did you have to leave me? (nevermore)
Why did you deceive me? (nevermore)
D7 **C**
You sent me to the path of nevermore
C7 **B F Ami**
When you say you didn't love me anymore
B F B **F**
Ah ah nevermore nevermore
