

# No One But You

Queen

- C G C**  
1. A hand above the water  
**A Dm A Dm G7**  
An angel reaching for the sky  
**G C Am D7**  
Is it raining in Heaven  
**D G G7**  
Do you want us to cry?
- And everywhere the broken-hearted  
On every lonely avenue  
**C B F**  
No-one could reach them  
**C G A7**  
No-one but you
- D F#m7 G**  
R1: One by one  
**A A7 G F#m7 G**  
Only the good die young  
**A A7 D F#m7 Bm**  
The're only flyin' too close to the sun  
**E7 D**  
And life goes on  
**Asus4 A G**  
Without you...
2. Another Tricky Situation  
I get drownin' in the Blues  
And I find myself thinkin'  
Well - what would you do?
- Yes! - it was such an operation  
Forever paying every due  
Hell, you made a sensation  
You found a way through - and
- R2: One by one  
Only the Good die young  
The're only flyin' too close to the sun  
We'll remember -  
Forever...
3. And now the party must be over  
I guess we'll never understand  
The sense of your leaving  
Was it the way it was planned?
- And so we grace another table  
And raise our glasses one more time  
There's a face at the window  
And I ain't never, never sayin' goodbye
- R3: One by one  
Only the Good die young  
They're only flyin' too close to the sun  
**E7 D**

Cryin' for nothing  
**E7 Em7 D**  
Cryin' for no-one  
**G D**  
No-one but you
