1. I'd sit alone and watch your light

F#mi7

My only friend through teenage nights

A

And everything I had to know

F#mi7 A E

I heard it on my radio

2. You gave them all those old time stars

Through wars of worlds - invaded by Mars

You made 'em laugh - you made 'em cry

F#mi7 A E A E

You made us feel like we could fly, radio

E

*: So don't become some background noise

F#mi7

A backdrop for the girls and boys

A

Who just don't know or just don't care

F#7

And just complain when you're not there

E

You had your time, you had the power

H

You've yet to have your finest hour

A E A E

Radio - radio

R: All we hear is radio ga ga

Radio what's new? Radio, someone still loves you

3. We watch the shows - we watch the stars

On videos for hours and hours

We hardly need to use our ears

How music changes through the years

*: Let's hope you never leave old friend

Like all good things on you we depend

So stick around 'cos we might miss you

When we grow tired of all this visual

You had your time - you had the power

You've yet to have your finest hour, radio - radio

Radio goo goo, radio ga ga :]

All we hear is radio ga ga, radio blah blah

Radio what's new? Someone still loves you.
