

# Rain Must Fall

Queen

**C** **Ami**  
1. I can see it in your stars  
**C** **Ami**  
Life is so exciting  
**C** **Ami**  
Acting so bizzare  
**C** **Ami**  
Your world is so inviting  
**F** **Dmi**  
Playing really cool  
**F** **Dmi C Ami C Ami**  
And looking so mysterious honey  
**F** **C**  
Your every day is full of sunshine  
**F** **Dmi7 G C**  
But into every life a little rain must fall

No problem  
Uh  
Be cool now

2. Anyone who imagines  
They can blind you with science  
Bully you all over  
With property and finance  
But you have the position  
To call the shots and name the price honey  
You found success and recognition  
But into every life a little rain must fall

Flo Jo!

**F** **C**  
You lead a fairy tale existance  
**F** **Dmi7 G C**  
But into every life a little rain must fall

Be cool  
**Hah**  
Kiss kiss

**D** **Hmi**  
3. Others seem to think  
You are over dramatising  
Problems at work  
So it's hardly suprising  
**G** **Emi**  
There's little you can do  
**G** **Emi D Hmi D Hmi**  
To alter their opinions, honey  
**G** **D**  
You want a clean reputation  
But now you're facing complications  
**G** **Emi7 A D**  
'Cos into every life a little rain must fall

Be cool

Get serious

**Alright**

Play it nice and cool

Play it nice and cool

That's good

One more time

**Aha**

I like it
