1. It started off so well

How I cried...
Ami G C
The years of care and loyalty
Ami C G D
Were nothing but a sham it seems
C D G C
The years belie we lived a lie

I love you till I die

I can't face this life alone
G D A/C# D G Gmi
Save me save me save me...
D C G D
I'm naked and I'm far from home

2. The slate will soon be clean
I'll erase the memories
To start again with somebody new
Was it all wasted
All that love?...
I hang my head and I advertise
A soul for sale or rent
I have no heart I'm cold inside
I have no real intent

R: Save me save me save me...

Each night I cry I still believe the lie
I love you till I die

R: Save me save me save me
Don't let me face my life alone...
