

The Millionaire Waltz

Queen

Bring out the charge of the love brigade
There is spring in the air once again
Drink to the sound of the song parade
There is music and love everywhere
Give a little love to me (I want it)
Take a little love from me, I wanna share it with you
Feel like a millionaire

Once we were mad, we were happy
We spent all our days holding hands together
Do you remember my love
How we danced and played
In the rain we laid
Could stay there, forever and ever

Now I am sad, you are so far away
I sit counting the hours day by day
Come back to me-how I long for your love
Come back to me-be happy like we used to be
Come back, come back to me
Come back, come back to me
Come back to me, oh my love
How I long for your love-won't you come back to me yeah
My fine friend-take me with you ant love me forever
My fine friend-forever-ever

Bring out the charge of the love brigade
There is spring in the air once again
Drink to the sound of the song parade
There is music and love everywhere
Give a little love to me (I want it)
Take a little love from me, I want to share it with you
Come back come back to me
Make me feel like a millionaire
