2. You can't turn back the clock you can't turn back the tide
Ain't that a shame
I'd like to go back one time on a roller coaster ride
When life was just a game
No use in sitting and thinkin' on what you did
When you can lay back and enjoy it through your kids
Sometimes it seems like lately - I just don't know
Better sit back and go with the flow

R1: These are the days of our lives
They've flown in the swiftness of time
Those days are all gone now but
some things remain
When I look, and I find, no change

Those were the days of our lives - yeah
The bad things in life were so few
Those days are all gone now but one thing's still true
When I look and I find
I still love you

I still love you
