

# Too much love will kill you

Queen

1. I'm just the pieces of the man I used to be  
**G** **Emi** **D** **C**  
Too many bitter tears are raining down on me  
**Ami** **Emi** **Ami**  
I'm far away from home, and I've been facing  
**Emi** **D**  
this alone for much too long

I feel like no one ever told the truth to me  
About growing up and what a struggle it would be  
In my tangled state of mind,  
I've been looking back to find where I went wrong.

**G** **C** **Emi** **D**  
R: Too much love will kill you, if you can't make up your mind  
Torn between the lover, and the love you leave behind  
**G** **C** **G** **Emi**  
You're headed for disaster, 'cos you never read the signs  
**G** **C** **G**  
Too much love will kill you, every time.

2. I'm just the shadow of the man I used to be  
And it seems like there's no way out of this for me  
I used to bring you sunshine, now all I ever do is bring you down

How would it be if you were standing in my shoes  
Can't you see that it's impossible to choose  
No there's no making sense of it, every way I go I have to lose.

R1: Too much love will kill you, just as sure as none at all  
It'll drain the power that's in you, make you plead and scream and  
crawl  
And the pain will make you crazy. You're the victim of your crimes  
Too much love, will kill you, every time.

R2: Too much love will kill you, it'll make your life a lie  
Yes, too much love will kill you, and you won't understand why  
You'd give your life, you'd sell your soul, but here it comes again  
Too much love will kill you  
In the end  
In the end...
