

You And I

Queen

D **A**
Music is playing in the darkness
Hmi **G**
And a lantern goes swinging by
D **A**
Shadows flickering my heart's jittering
G D/F# Hmi D
Just you and I
G
Not tonight not tomorrow
D **D7**
When everything's sunny and bright (sunny and bright)
G **E**
No no no come tomorrow 'cause then
A
We'll be waiting in the moonlight
E
We'll go walking in the moonlight
C G/H Gmi/B A
Walking in the moonlight
Laughter ringing in the darkness
People drinking for days gone by
Time don't mean a thing
When you're by my side
Please stay a while
F# **Hmi**
You know I never could foresee the future years
You know I never could see
Where life was leading me
D **A** **F#/B**
But will we be together for ever?
Hmi
What will be my love?
E **A**
Can't you see that I just don't know
No no not tonight not tomorrow
Everything's gonna be sunny and bright
Wait and see if tomorrow we'll be
As happy as we're feeling tonight
We'll go walking in the moonlight (we'll be happy)
Walking in the moonlight
I can hear the music in the darkness
Floating softly to where we lie
No more questions now
Let's enjoy tonight
Just you and I, just you and I
Just you and I
Can't you see that we've gotta be together
Be together just you and I just you and I
No more questions just you and I
