Hey, won't you come and show me what you got?  
Hey, think you can keep up with me all night?  
I said hey this booty wants to get on down with you  
Hey, something tells me that you dig the way I move

My mission is to get you tonight  
I'm feeling hot boy, so hold me tight  
This is where we're supposed to be  
Don't be shy come, give it to me

And, dance  
All night long  
Said I don't wanna stop (oh baby baby)  
Make it hot

Keep rocking kee-kee-keep rocking  
Dance keep rocking

Baby, I can't seem to take my eyes off you  
Hey, everything you do has got me hooked

Move your body close to mine  
Feeling hot boy hold me tight  
This is where we're supposed to be  
Don't be shy come give it to me

And, dance  
All night long  
Said I don't wanna stop (oh baby baby)  
Make it hot

Doesn't it feel like I'm all alone  
Like a secret that nobody knows  
Hold me tight don't let me go  
Oh it can't be wrong it can't be wrong

And, dance (Ooooh)  
All night long  
Said I don't wanna stop (oh baby baby)
